

July 17/2008

Gentlemen, Ladies

I felt the need to write + thank you for the contributions you made for our picnic July 13/08 and to thank you for her organizational skills. Without you both it would not have been possible.

The food, people and entertainment were wonderful. Its nice to know that after purchasing a home from Celebrity Homes, you are still interested in promoting families and do not forget us!

Jason

Thanks Again!
