Testimonials

I just wanted to write you a quick thank you for the service you gave us yesterday. Both Jess and I are new to this (home buying) but you took the time to walk us through the details and answer all of our questions made it very easy. We were also very impressed with how you personally drove us out to the model. Thanks again for everything. I'm looking forward to working with you during this whole process.

Two months ago, my husband and I purchased a new Celebrity Home. Although my every intention was to get this letter to you sooner, I am just doing it now. The importance, nonetheless, is great. Your representative that worked with us was Shawn M. Not only was Shawn very professional and knowledgeable (as we asked many questions), but he went above and beyond what he needed to in working with us. He was very kind about answering our questions whenever we had them, he responded to our calls in an expedient manner, and ALWAYS maintained a positive, friendly attitude.

His sense of humor (he should have also been a stand up comic) is an added bonus. Much of our decision to purchase a Celebrity Home was based on his confidence in the homes, and his ability to answer our questions honestly.

Sincerely, Debbie M.

My name is George and I live in the Walnut Creek Townhomes. I attended the Walnut creek Hills annual community picnic this past weekend and I wanted to thank you for sponsoring this event.

This event provides me the opportunity to meet not only my new townhome neighbors but also individuals that live in the single-family homes. I must say that the individuals that live around me are a wonderful group. On those occasions that I have needed help my neighbors have offered assistance.

Though you have probably heard this before, I also want to express my thanks to Debbie and Jerry, your employees. They are they type of individual that I would like to have working for me. They will take the time to go the extra mile. I am glad that you built communities and not just houses to be sold.

Sincerely, George
